

Changes to Express Mail Rates for North America, Europe, and Oceania

May 12, 2021 Rakuten Global Express

Express Mail rates to some countries will be changed from June 1, 2021.

Due to fluctuating shipping cost prices, Express Mail rates to countries and regions in North America, Europe, and Oceania will be revised.

Please see the below table for the affected countries and regions and the new rates.

Please note that the new rates will be listed in the country guides and used in the rate calculation tool from the evening of May 31st, 2021 (tentative), and will be applied to shipments from June 1, 2021.

We appreciate your understanding.
